Qualification Particulars

1. Your enrolment on to MNU constitutes Your acceptance of all the Terms set out below.
2. Mac-Nutrition Uni (MNU) is not, nor is it affiliated with, a registered University in the United Kingdom (UK). MNU is not considered an academic degree. On successful completion of the Course Content & Final Exams, You will obtain the Level 5 Diploma in Advanced Nutrition Science, be able to use the 'MNU Certified Nutritionist' title and be able to use the post-nominals MN.Nutr after Your name.
3. Successful enrolment requires You to have completed and provided evidence of obtaining suitable pre-requisite qualifications as outlined on the Mac-Nutrition Uni website [HERE](#). You should also be 18 years or over at the time that You enrol on the course.
4. Learners are expected to demonstrate a basic level of mathematical understanding, broadly equivalent to a Key Stage 2 (KS2) in England, in order to engage effectively with elements of the Level 5 course content. Maths tutoring/support is not provided by Us and We are not responsible for any additional fees incurred for private maths tutoring/support should it be required.
5. Your successful enrolment provides the opportunity to study the course MNU Full Online or MNU Full with Honours via Our online education system, and Your access to the Course Content acts as Your delivery of goods schedule.
6. The opportunity to enrol on the qualification portion, otherwise referred to as the MNU Revision and Exam Period, will be available pending full completion of the course, adherence to the Code of Conduct and upon payment of the Exam Fee.

7. The enrolment fee attributed to any course is an administration fee to secure Your place on any course and is non-refundable save where You cancel Your enrolment during the cooling off period described below.
8. Prior to the commencement of Your course, We will dispatch Your course resources folder; this, alongside Your Welcome Email, is considered Your agreement to the student-tutor contract and delivery of Our goods/services.
9. Your enrolment form is Your contractual agreement to study MNU in line with Our Terms and Conditions and Code of Conduct.
10. We estimate You will receive Your course resources folder 1–2 weeks prior to the commencement of the course. Depending on Your country of residence this can be delayed. 30 days from dispatch will need to be honoured in line with the procedures of the postal service before any further investigation can take place. This will not impact Your ability to commence online study.
11. MNU covers the cost of shipping the enrolment pack worldwide. In the event of customs charges or additional costs incurred, You will be responsible to arrange and cover the additional charges (including but not limited to: missing delivery and incorrect shipping address).
12. Your course schedule is supplied online (downloadable) and is also e-mailed to You. This acts as Your delivery of goods schedule.
13. The course fees attributed to any course are for the delivery of the content, resource(s), and student support; You are paying for the ability to study and learn with MNU. You are not paying for the qualification portion of the course, a qualification and/or the guarantee of passing; all of which are conditional upon meeting our published criteria.
14. Our suggested learning hours are 6-10 hours per week. This will differ based on individual learning styles and requirements.
15. The successful achievement of MNU relies on completing all of the compulsory content (watching MNU lectures & successfully completing corresponding tests). To maximise Your ability in successfully passing the

exams, We would recommend making use of all of the resources available and areas of support provided to You. This includes where appropriate; further reading, homework tasks, supportive resources, and revision materials, as well as utilising Student Support Facebook group discussion threads and support/queries threads. Failure to utilise these may be to the detriment of Your knowledge and understanding of a topic and thus the MNU qualification.

16. We will endeavour to respond to questions in Your Student Group in a timely manner, however there is no guarantee all questions will be answered. This includes questions We deem to be outside of the scope of the course and questions where guidance or an answer has already been provided. Should support from a peer be considered sufficient, there is no requirement for an MNU member of staff to respond.
17. Facebook Messenger, Instagram and the LEARN discussion and question features will not be monitored and are not considered official means of communication with MNU staff members and therefore no service standards apply.
18. The course content is delivered within 13 months from Our advertised commencement date. Any changes to Your course duration, deferral or extension will be at the discretion of MNU Ltd.
19. Any administrative changes may be subject to additional fees. The admin fees will be clearly stated before they are charged and are at the discretion of the team (minor changes ~£32 and major changes ~£70).
20. The course is delivered online using a state-of-the-art platform. It is important to keep Your viewing device up to date to ensure You can access the Course and Final Exams. 30. If You downgrade to Full Online, You are still entitled to the additional extras associated with the Full with Honours course and will not receive any associated reimbursement.
31. We shall use all reasonable endeavours to provide the residentials described on Our website, but We reserve the right to cancel or change the residentials for any reason including, but not limited to, situations where the residentials are under-subscribed, it becomes difficult for Us to deliver the intended content, or for other reasons resulting from circumstances or causes beyond Our reasonable control.

Any terminations or alterations to this sponsorship must be dealt with outside of MNU. MNU Ltd will not be involved in any discussions or agreements between You and a third-party sponsor.
55. MNU Ltd take no responsibility of any charges which You incur outside of the course fees required, e.g. debit or credit card transaction fees, late payment fees, overdraft charges, and We will not provide any financial relief, refund, or allowance as a result.
56. Posted prices are inclusive of all applicable taxes. MNU Ltd is not responsible for charges or foreign exchange rates applied by Your credit card company and/or financial institution.
